

ST. ALOYSIUS EDUCATION CLINIC

Making a difference in the lives of children.

Dear Parents,

The AACE Program of the St. Aloysius Education Clinic prepares children for the best schools in the city –public, parochial, or independent. In addition, it helps children who are already in such schools to solidify their skills and to establish a firm foundation for advanced work.

The program runs for five weeks during the summer and on Saturdays when school is in session. To be eligible for the program children, who are currently in grades 1-7, must take a test in reading and math. Children are expected to score in the 70th percentile or better.

The summer program begins July 1 (tentative). The cost is \$300 for regular hours – 8:15am- 3:30pm Monday through Thursday and 8:15am until 12:30pm on Fridays. This fee is due on the day of registration, which is May 8th. We also offer extended hours for an additional \$185.

If you wish your child to take the test, please fill out the form below and return it with a check or money order for \$15 made payable to St. Aloysius Education Clinic. Forms and payments can be mailed to 219 W. 132nd St., New York, NY 10027. The test will be given at St. Aloysius School, on **Saturday, May 1st at 8:30am**. There will be a parents' meeting at 9:30am, to explain the program and answer any questions you may have. **Keep this information, as you will receive no other confirmation.**
